

Summer 2017 - Camper Application Information

December 2016 – Summer Enrollment Update

If your camper is interested in attending Stagedoor Manor during the summer of 2017, please complete an online application as soon as possible!

- We currently have openings in:
 - Session 1: Monday, June 19th to Sunday, July 9th
 - Session 2: Monday, July 10th to Sunday, July 30th (BOYS ONLY)
 - Session 3: Monday, July 31st to Sunday, August 20th
- Delays in the submission of an online application - or in our receipt of your deposit – will decrease the likelihood of acceptance into the program.

After your online application is completed, we ask that you send in your deposit check as soon as possible. If your deposit is not received, your application will be removed from our system – and you will lose your place.

If we are unable to place you when your application is submitted, you will be notified and put on our wait list. If you are placed on the wait list, your deposit check will not be cashed until we inform you of an opening and you accept it, in writing.

Deposit information:

- A \$1,000 per session deposit is required per session.
- Once a camper is enrolled, \$500 of each session's deposit is non-refundable.
- The remaining deposit is refundable until January 15, 2017, upon written request, if the camper withdraws by that date. More information about payment terms and conditions – and our general camp policies – can be found on our application.
- Campers from outside of the US should contact us – after applying – to discuss payment arrangements.

Our application process is completed entirely online. You will benefit from downloading our "Directions for Applying to Stagedoor for NEW Campers" PDF:
