

## **Summer 2023 - Camper Application Information**

Stagedoor Manor hosts campers from every state and from countries around the world! Because of the weight of our reputation in the industry, we receive hundreds of applications each year – far more than we can accommodate. Our advice is simple: If you are interested in attending Stagedoor Manor during the summer of 2023, please complete an online application as soon as possible.

**We now enroll ALL campers on a first-come, first-served basis until we are full.**

If you delay completing our application – or if you delay mailing back your deposit once your online application is complete – you will seriously limit your chance of acceptance.

Note that we require a \$1500 deposit per session and that, once a camper is enrolled, \$500 of each \$1500 session deposit is a non-refundable application fee. After January 15, 2023, there is no refund of the initial deposit. After February 15, 2023, there are no refunds. Cancellations are processed upon written request. Information about our policies, and our terms and conditions, can be found on our application.

### **Q: What are the dates for 2023?**

Session 1: Monday, June 12th to Sunday, July 2nd  
Session 2: Monday, July 3rd to Sunday, July 23rd  
Session 3: Monday, July 24th to Sunday, August 13th

### **Q: How much does each session cost?**

Attending one session costs \$6,495.

### **Q: Can I attend more than one session?**

Yes, many students attend two sessions. Pricing for two sessions is \$11,995.

### **Q: Can I change my session after applying?**

Session changes can be made until January 1, 2023 and - thereafter - only as spots are available.

### **Q: Do you require auditions? Are scholarships available?**

Auditions are not required prior to camp, however every student will complete an audition for placement. Financial aid and scholarships are not available. We simply have no way to process the hundreds of aid and scholarship requests that we receive each month. We direct students to their local arts organizations and civic groups for support.

**Q: I don't live in New York. Can I still attend Stagedoor Manor?**

Of course! Campers fly in from all over the world to attend Stagedoor! With proper notification, we assist with camper pick-up and drop-off from Newark Airport at the start and end of each session.

**Q: Who can fill out the application?**

Parents should fill out the application with their children present, as some parts are filled out by each of you. Because you can now use a credit card or an ACH to place your deposit, students cannot fill out the application without their parents.

**Q: Can I apply from overseas?**

Yes! Because we now accept credit cards and wires, you can apply instantly from anywhere in the world.

**Q: How are you handling COVID? Is a COVID vaccination required to attend Stagedoor?**

All staff and campers are required to be fully vaccinated, two weeks prior to arrival.

**Q: How do I apply?**

The application link is here. Remember: We cannot "hold" or "reserve a space" for a camper without a completed registration, application and deposit. We do not accept your deposit until there is a guarantee of enrollment at camp, so there's no need to worry about us returning your deposit if we don't have an open spot.
